

## Bailey's Crossroads, VA Rotary Club - 32<sup>nd</sup> Classic Mustang Raffle 2017 1965 Mustang Convertible

The restoration was completed on May 26, 2017. This is a complete restoration as a GT Tribute. The engine and transmission are 1965 vintage but not original to the car. Click [here](#) to view restoration photos. We added performance dual exhaust with GT Trumpets, GT suspension upgrade (springs, shocks, anti-sway bar), power front disk brakes, GT Badging, fog lights, GT factory Performance Imaging Option, electronic ignition, solid state voltage regulator.

For SAFETY we upgraded the front seat belts to 3-point belts, added rear seat belts (not an option in 1965), halogen headlights, emergency flashers and back-up lights, LED brake lights, LED lighting in the dash, headlights ON warning buzzer.
